

# CALL FOR PAPERS

# 2024 the 8th International Conference on Manufacturing, Material and Metallurgical Engineering (ICMMME)

Yokohama, Japan July 12-14, 2024

[www.icmmme.com](http://www.icmmme.com)

Following the successes of previous events, **2024 the 8th International Conference on Manufacturing, Material and Metallurgical Engineering (ICMMME)**, will take place in **Yokohama, Japan** from **July 12-14, 2024**.

Scholars from all over the world are warmly welcome to participate **ICMMME 2024!**

## SPEAKERS

**Prof. Mingcong Deng**  
IEEE Fellow  
Tokyo University of  
Agriculture and Technology,  
Japan

**Prof. Jin-Hyo Boo**  
President of the Korean Vacuum  
Society (KVS)  
Sungkyunkwan University, South  
Korea

**Assoc. Prof. Zili Wang**  
Zhejiang University, China

## TOPICS

Advanced manufacturing technology  
Manufacturing system and simulation  
Cellular manufacturing  
Manufacturing processes and technology  
Manufacturing engineering  
Manufacturing systems and equipment  
Metallurgical fundamentals and techniques  
Nanotechnology  
Composite Materials  
Materials Processing and Handling  
Metal Processing  
More via <https://icmmme.com/paper.html>

## PROCEEDINGS

Accepted and registered full papers are published by Springer in the book series *Lecture Notes in Mechanical Engineering*. The proceedings are indexed by **Scopus, EI Compindex, Inspec**.

## SPECIAL ISSUES

- Nanomaterials (ISSN: 2079-4991) Impact Factor: 5.3
- Metals (ISSN 2075-4701) Impact Factor: 2.9

High Visibility: Science Citation Index Expanded (SCIE) and Scopus (Elsevier)

## IMPORTANT DATES

Submission Deadline: **April 30th, 2024**

Notification Date: May 20th, 2024

Registration Deadline: May 30th, 2024

## SUBMISSION GUIDELINE

Online submission system:

<https://www.zmeeting.org/submission/icmmme2024>

Full Paper Template:
