

CALL FOR PAPERS

2024 the 8th International Conference on Manufacturing, Material and Metallurgical Engineering (ICMMME)

Yokohama, Japan July 12-14, 2024

www.icmmme.com

Following the successes of previous events, **2024 the 8th International Conference on Manufacturing, Material and Metallurgical Engineering (ICMMME)**, will take place in **Yokohama, Japan** from **July 12-14, 2024**.

Scholars from all over the world are warmly welcome to participate ICMMME 2024!

COMMITTEES

Conference Chairs

Ramesh K. Agarwal, Washington University in St. Louis, USA

Changduk Kong, Chosun University, South Korea

Program Chairs

Hisaki Watari, Tokyo Denki University, Japan

Ping Xiang, Central South University, China

Andreas Pitsilides, University of Cyprus, Cyprus

Program Co-chair

Shoichiro Yoshihara, Shibaura Institute of Technology, Japan

Publicity Chairs

Marvin Herrera, University of the Philippines Los Baños, Philippines

Jamaluddin Mahmud, Universiti Teknologi MARA, Malaysia

Farid Abed, American University of Sharjah, United Arab Emirates

TOPICS

Advanced manufacturing technology

Manufacturing system and simulation

Cellular manufacturing

Manufacturing processes and technology

Manufacturing engineering

Manufacturing systems and equipment

Metallurgical fundamentals and techniques

Nanotechnology

Composite Materials

Materials Processing and Handling

Metal Processing

More via <http://icmmme.com/paper.html>

PROCEEDINGS

Accepted and registered full papers are published by Springer in the book series *Lecture Notes in Mechanical Engineering*. The proceedings are indexed by **Scopus**, **EI Compindex**, **Inspec**.

SPECIAL ISSUE

metals

an Open Access Journal by MDPI

Metals (ISSN 2075-4701)

Impact Factor: 2.9

High Visibility: Science Citation Index Expanded (SCIE) and Scopus (Elsevier)

IMPORTANT DATES

Submission Deadline: **March 20th, 2024**

Notification Date: April 15th, 2024

Registration Deadline: April 30th, 2024

SUBMISSION GUIDELINE

Online submission system:

<https://www.zmeeting.org/submission/icmmme2024>
